Womens Premier League team WIN Cup Final!!

The Womens Premier League team has won the Cup Final on Saturday the 30th August at 5.00 at KGV.

Walter Pless column in the Sunday Mercury 31 August p80.

University took out the women's statewide cup after a display of attacking soccer in a 4-1 win over Nelson Eastern Suburbs. Melinda Minstrell put University ahead from a corner. In the 33rd minute, Rebecca Hartnett headed home another corner to make it 2-0 at the break. Hartnett added the third in the 56th minute, before Laura Prescott made it 4-0 in the 85th minute. Sarah Morris netted Nelson's goal.

Annual Award Nominations

The club is calling for nominations for its annual awards listed below. To nominate someone for an award, please reply Brook Nichols with the person's name, the award, and a few words on why they deserve the award by Friday 5 September.

Also, team managers, please reply to Brook Nichols with name for your team's best and fairest award.

Guy Clift Award. For outstanding ongoing service to the club, not just for this season but for a number of seasons. The winner of this award has

been a slave to the grind. (perpetual trophy)

Clubman Award. For outstanding service to the club during this season.

Best First Year Player. Best player in their first year at the club. (It does not matter if they have played elsewhere before).

Athenian Award. The player who plays the game and lives life in the "right spirit". Both on and off field performance matter equally as much. Clean living, clean playing.

Anyone who has studied Ancient Greece might remember that the Athenians weren't like this in the 5th century BC, but this is the award we have anyway. (perpetual trophy)

Nobby Chopper. For the most disgraceful foul tackle or most convincing display of pain. We tend to ignore the pain element unless the dirtiest hacker can also go down in a screaming fit in a convincing manner.

Unique Achievement Award. For something that is truly bizarre or original in a way that nobody else could possibly have done it or so awful or funny that it deserves recognition. This is open for anything really.

Andrew Hoppitt Memorial Trophy for Goalkeeping. Awarded to the goalkeeper in the club for tenacity and presence on the field.
