Mon 9 Apr p24	<p>University takes on Howrah II in the semi-final of The Premier League section of the Cascade Summer Cup competition following the final round of group matches played at South Hobart on the weekend.</p> <p>University qualified from Group B by defeating Metro-Claremont 2-0 yesterday through goals by Peter Crowther and Matthew Shaw. Sat 14 Apr p49	<p>University will field an unchanged team and coach Andrew Robinson said his team is playing better than it has done for the past four years. Striker Chris Green has been out of form and he will have to be at his best to beat Howrah's accomplished goalkeeper Damien Smith.</p>
Sun 15 Apr p42	<p>Howrah missed a penalty to push the game into energy sapping extra time against University.</p> <p>The poorly taken penalty, taken midway through the second half, was easily saved by goalkeeper Carl Gavan.</p> <p>Full back Paul Kuzis had conceded the spot-kick when he punched out Paul Engel's long-range, dipping shot that had whistled over Gavan's head.</p> <p>Howrah had the better of the first half but shot high or wide though Gavan blocked several goal attempts.</p> <p>University hit back in the second period as Colin Shepherd brought out the best in keeper Smith of Howrah and Chris Green missed for the second time in the match, this time after Peter Crowther had outfoxed the Howrah defence.</p> <p>The decisive goal came two minutes into extra time. Chris Behrens cut out a through ball into the penalty area but Baker was on it in a flash and shot past Gavan from an acute angle.</p>

Mon 23 Apr p33	<p>University had a 3-1 away win over Taroona.</p> <p>Uni striker, Chris Green, who had a lean time in the pre-season Cascade Summer Cup, hit two goals for the students, the other coming from new signing Colin Shepherd.</p> <p>Taroona leveled to make it 1-1 at the interval.</p>

Mon 7 May p30	University won its second league game of the season 4-0 against league champion White Eagles and the students are shaping up as possible title contenders. Peter Crowther, Chris Green and Colin Shepherd hit first half goals for University, which included Dominic O'Brien in its line-up following his transfer from White Eagles in midweek. University's fourth goal immediately after the interval was created with almost surgical precision, nine consecutive passes culminating with Shepherd applying the final thrust.

Mon 4 Jun p22	<p>University, Metro continue to fight for supremacy. University and Metro-Claremont remain neck and neck in the race for Premier League Division 1 soccer title after both won 1-0 on Saturday. A 57th minute goal by Colin Shepherd brought University success in its operation away to Kingborough United at Sherburd Oval. The win was University's 6th in six games. Sat 9 Jun p51	<p>University facing double trouble to extend streak. University, the league leader in Premier Division 1 soccer competition faces its most difficult challenge of the season this weekend when it meets Howrah United at the Athletic Centre today and Metro-Claremont at North Chigwell on Monday. The students have won all their six matches this season to be the only unbeaten team in the competition but they will have to be at their best to emerge from these two games unscathed. Second placed Metro has won all four of its games at North Chigwell and could be the new leader by upsetting University on Monday. University may be missing a couple of players for Monday's match because of examinations, although the influence of Sean Collins and Dominic O'Brien should enable it to cope.</p>
Mon 11 Jun p30	<p>Howrah teaches students a costly lesson. University's bubble burst with a big bang on Saturday when it suffered its first defeat of the Premier league Division 1 soccer season, going down to Howrah United 4-2 at the Athletic Centre. Peter Crowther gave the students an early lead but two quick goals by Howrah dampened University's celebrations. To make matters worse, University goalkeeper, Karl Gavan, was sent off after the second goal. Matthew Shaw replaced Gavan in goal but it was an uphill battle from then on as University, with only ten players, and missing striker Chris Green, who was unavailable, tried to contain the efficient Howrah outfit. Howrah made it 4-2 before Crowther calmly slotted away his second goal of the match for University near the end.</p>
Tue 12 Jun p38	<p>Metro withstands University challenge to retain leadership. Metro-Claremont is the undisputed leader of Premier League</p>

	<p>Division 1 soccer competition after brushing aside its main challenger, University, at North Chigwell yesterday. Metro won 3-0. University probably had more possession than Metro, especially in the first half, but it lacked determination inside the penalty area despite some good build up work.</p> <p>Its shooting was generally half-hearted and any moves that did spell danger were cleared by the defence or saved by the goalkeeper. Metro scored after 29 minutes and in the first minute of the second half.</p> <p>Dominic O'Brien hit the Metro crossbar in the second half but University invariably fired over or wide of the target when the openings did materialize.</p>
Wed 13 Jun p38	<p>University will be anxious to atone for two consecutive losses by defeating Olympia in tonight's Premier League Division 1 fixture. Olympic will provide stern opposition for a University side that has conceded more than twice as many goals in its past two matches than it had all season.</p> <p>University's goalkeeper, Carl Gavan, has served his one match suspension but he is by no means certain of regaining his place, judging from Chris Neale's performance against Metro on Monday. The probable return of strikers Chris Green and Tom Wanner should add much-needed bite to the University attack, which seemed rather timid once it penetrated the Metro penalty area.</p>

Wed 20 Jun p38	<p>University will be without midfielder Dominic O'Brien for tonight's Premier League Division 1 match against Hobart Juventus. The experienced O'Brien is working on the East Coast but the Club may be able to replace him with former State player Dominic Fraraccio. Fraraccio, a former Hobart Juventus, Launceston Juventus and University player has been training with University after being out of the game for a season or more.</p>
Thu 21 Jun p40	<p>University regained top spot in the Premier League Division 1 competition with a 3-1 win over Juventus last night. Juventus took the lead in the 50th minute but a superb header by Colin Shepherd following Sean Collins precise cross restored the balance. Peter Crowther nodded home Shepherds cross in the 78th minute to put University ahead while Chris Hargrave's powerful header, from Chris Green's corner, killed off Juventus with three minutes to go.</p>
Sat 23 Jun p54	<p>University defeated Juventus 3-1 on Wednesday to wrest top spot from Metro on goal difference.</p>
Sat 30 Jun p55	<p>University will be bolstered by the return of O'Brien. University, the leader in the Premier League Division 1 soccer competition, will be re-inforced by the return of classy midfielder Dominic O'Brien for its meeting with bottom team Phoenix-Clarence at South Hobart today. Irishman O'Brien, who missed the 3-1 win over Hobart Juventus because of work commitments, will replace Paul Kuzis, who drops to the Reserves. Goalkeeper Chris Neale retains his place at the expense of Carl Gavan. "I'll be looking for a much improved performance," said University coach Andrew Robinson. "On paper we should be the better team but University has a habit of struggling against supposedly lower teams!"</p>
Mon 2 Jul p29	<p>Crowther creates some space and University shoots clear of pack. University became the clear leader in the Premier League Division 1 soccer competition when it defeated last placed Phoenix-Clarence 3-1 at South Hobart on Saturday. Peter Crowther gave University a 1-0 lead at the interval and then he and Chris Green struck in the second half for the students before Phoenix-Clarence scored a consolation goal.</p>

Sat 7 Jul p51	League leader University takes on second place Metro-Claremont at University. University will be much more comfortable at home against Metro. It outplayed Metro for long periods but lost 3-0 when the teams met at North Chigwell just under a month ago.
Mon 9 Jul p22	University consolidated its position at the top of the ladder by downing – or was it drowning? – its main challenger Metro-Claremont 3-2 on a water soaked pitch at University. The win gives University a five point lead over Metro. Colin Shepherd made the first incision in the Metro defence to send the students in 1-0 up at the recess while second half goals by Matthew Shaw and Peter Crowther appeared to give University an unassailable 3-0 lead with ten minutes remaining. Metro had other ideas however and two quick goals saw the visitors come within a whisker of snatching a point.

Sat 14 Jul p55	University loses fullback for Rapid clash. Premier League Division 1 leader University will make only one change to its team for today's match against Rapid at the Athletic Centre. Left fullback Chris Behrens who played in last weeks 3-2 win over Metro-Claremont is unavailable and will be replaced by James Turnbull. Turnbull broke his leg during the summer and has only made his comeback in the Reserves over the past two weeks. University has still not received a clearance from Launceston Juventus for Dominic Fraraccio and he will have to be content to watch from the sidelines yet again. 'A minor dispute is preventing the transfer,' is how University's coach Andrew Robinson diplomatically summed up the situation. Robinson is aware of Rapid's return to form and the restricted space on the Athletic Centre worries him a little but he's confident his team can win if the players live up to their potential. "I'd like to win the first division title before we're relegated to the third division which could happen if the recently revealed TSA proposals for restructuring are implemented," a disillusioned Robinson said.
Mon 16 Jul p22	Rapid found itself two goals up against University after only ten minutes but an own goal and strikes by Justin Edwards and Matthew

Sat 4 Aug p51	<p>University must defeat White Eagles at University today if it is to stay within striking distance of Premier League Division 1 soccer leader Taroonna. University will have youngster Michael McDonald back after injury and he will resume his normal position at left full-back. Coach Andrew Robinson hopes McDonald and James Turnbull will add some necessary pace to the University defence. Dominic Fraraccio has received his clearance but is not yet match fit. He has played one game in the Reserves and will do so again today and then join Paul Enkelaar, an 18 year old from Burnie United, on University's substitutes bench. "The ground is uneven and not conducive to skill but I'm expecting a fairly close game," Robinson said.</p>

Mon 6 Aug p29	<p>University moved into second place by downing White Eagles 2-1 at the campus ground.</p> <p>But it was a close call. Peter Crowther's initial spot kick had been saved – but two second half goals by Juventus saw the students bow out of the title race. In yesterdays match at South Hobart University drew 3-3 with Caledonian after leading 3-1 at half time. Peter Crowther, Chris Hargrave and Ian O'Callaghan gave University a commanding lead with Caledonian replying once. The arrears were reduced again midway through the second half and Caledonian earned a point from a goal scored from an acute angle.

Mon 1 Oct p26	University progressed to the semi-finals of the Cadbury Jubilee Trophy Knock-Out Cup competition when it defeated Premier League Division One champion Taroonas 3-0 at KGV Soccer Park yesterday. Only a courageous display of goalkeeping by Taroonas's Holzinger kept the score within respectable limits. Holzinger threw himself about on the rock-hard surface to thwart University time and time again as the students produced one of their best performances of the season. With his defence often nowhere in sight Holzinger also saved his side in one-on-one situations on at least four occasions. Taroonas had its

	<p>chances but were unable to fine the net. Colin Shepherd put University ahead after only four minutes when Ian O’Callaghan was released on the right by an excellent diagonal pass out of midfield by Peter Crowther. O’Callaghan miscued his shot but the ball flashed across the goalmouth to the far post where Shepherd provided the finishing touch. Dominic O’Brien smacked a shot against the Tarooma crossbar in the 64th minute but it was not until four minutes before the end that University added its second goal. A perfectly timed pass by Crowther enabled Shepherd to run half the length of the field before rounding Holzinger to score. With Tarooma pushing everyone forward Crowther and O’Callaghan combined for a marvelous third goal right on the final whistle, Crowther keeping a cool head to outwit a defender before shooting low and between Holzinger and the near post. <p>Sat 6 Oct p55</p>	<p>University still dangerous despite loss of defenders. University will be without experienced defenders Sean Collins and Chris Hargrave for tomorrow’s Cadbury Jubilee Trophy semi-final against Olympia-SBT Bank at KGV Soccer Park. Collins, who plays at right full back is away in the north of the State, while Hargrave, the team’s sweeper, has a hamstring injury. The Premier Division One runner-up will sorely miss the pair, both of whom have won State Premierships in the past, Collins with White Eagles and Hargrave, ironically, with Olympia. Youthful defender Michael McDonald, who replaced Hargrave at the interval last week, retains his place in the side while Chris Behrens will come in for Collins. University has nothing to lose and the absence of pressure makes it a dangerous opponent for Cadbury State League side Olympia. “All these Cup games are a challenge for us.” Said University coach Andrew Robinson. “But they’re also a source of enjoyment for us at the end of the season and maybe that’s why we’re playing better.” Midfielder Peter Crowther, another former Olympia player, was the inspiration behind University’s success last week, and Olympia will need to shackle him as well as Colin Shepherd, Chris Green and Ian O’Callaghan, who are all extremely dangerous in front of goal. Olympia showed it can beat the best of teams but it has a tendency to play poorly when faced by less illustrious opponents.</p>
<p>Mon 8 Oct p22</p>	<p>In the semi-finals of the Cadbury Jubilee Trophy at KGV Soccer Park yesterday Olympia beat University 2-0. University paid the penalty of not taking early chances and Olympia quickly dominated.</p>

Colin Shepherd, Peter Crowther and Ian O'Callaghan all should have punished the Olympia defence in the opening quarter of an hour. Only excellent goalkeeping by Kannegiesser and University's inept finishing prevented the students from building up a handsome lead. Shepherd even managed to round Kannegeisser at one stage but chose to pass instead of shoot and the danger was defused by Olympia. Having weathered University's opening onslaught Olympia put together some promising moves. Olympia, however, seemed to be missing the drive of Sherman but four seconds after the interval defender Michael Edwards headed Olympia into the lead from a Morton corner. Morton almost added another shortly afterwards but University's goalkeeper, Chris Neale, turned the Olympia coach's shot onto the crossbar. Spiliopoulos capped off a fine game by heading in Olympia's second goal from yet another dangerous Morton corner.
